

ESOC Commercial Truck, Inc.
Environmentally Safe Oil Change

SERIES 5000-FS2

Filtration System

ESOC Commercial Truck, Inc. developed the 5000-FS2 because of an overwhelming request from those we work with in the field. It's uses are endless and can handle a wide variety of industry fluids including Hydraulic Oil and Gear Lube. It was designed to be portable, pneumatic, and self-contained for on and off-highway applications. It's the one machine that will clean all your fluids!

- Patented Filtration Process
- Dual Filter System
- Interchangeable Filter Packs
- Maximize Fluid Life
- Filters 98% of lubricants in system
