

ESOC Commercial Truck, Inc.  
Environmentally Safe Oil Change

# SERIES 850

## Oil Exchange System

The SERIES 850 Oil Exchanger is a portable machine on wheels, ideal for changing oil anywhere in your shop during the preventative maintenance process. The 14 Gallon on-board waste oil tank is suitable for changing oil on most on-highway engines. The SERIES 850 only requires connections to 125 PSI compressed air, fresh oil under pressure at 300 PSI, and a waste oil tank for draining the on-board tank.

- Fully Pneumatic System
- Complete 40 quart oil change in about 15 minutes
- Integrated metered pistol grip dispenses in quarts or liters
- Patented “Spill-Free” quick connect fittings ensure a clean “No Mess” operation
